VALLEY FIGURE SKATING CLUB RULES AND PROCEDURES

The following rules and procedures were adopted by the VFSC Board of Directors to promote an atmosphere conducive to training as well as allow for the safety of each skater. The rules must be followed by both skaters and pros in order to be effective:

1. Skaters must sign in BEFORE they get on the ice and between contiguous sessions. Admission to be determined in the following order: 1) Contracted skaters who have signed in. 2) Club members on a first come, first served basis. 3) All other skaters on a first come, first served basis.
2. Skaters may be removed from the ice for any of the following: 1) intentionally damaging the surface of the ice. 2) Consistent lack of consideration for other skaters. 3) Offensive, abusive or profane language. 4) Wild or rough skating. 5) Disrespectful actions towards pros, ice monitors, other skaters or arena personnel.
3. Consumption of food/snacks/beverages on ice or near boards is prohibited; the only exception is water bottles and must be kept back in the hockey boxes away from the ice surface. Keep all personal items such as tissue boxes, notebooks, music, apparel clear of ice surfaces and/or access areas for safety of all and remove them after each session.
4. Be considerate in the use of the ice: consideration for 'right of way' on the ice as follows: 1) skaters doing their program to music, 2) skaters having lessons, 3) skaters in the harness. Practicing a program is critical to skating development; therefore, all pros and skaters should be aware of who has the right of way. Anyone, including pros, who ignore these rules and procedures will first receive a warning and then be suspended from the session.
5. A skater must wear a sash when their music is being played.
6. No congregating on the ice during ice time.
7. Any grievances should be brought to the VFSC Board of Directors.
